OBJECTIVE

I'm a young energetic student skilled in leadership with strong foundations in logic, algorithms and maths. Currently enrolled in a Computer Science degree and expects to graduate in 2019. Seeking to leverage solid exemplary skills in communication, collaboration and development to succeed in contributing to the global Tech ecosystem.

EXPERIENCE

INTERN
Hotels.ng / Nigeria / Nov-Oct 2017
While an intern on hotels.ng I worked on web projects, prototyping, UI / UX, Cryptocurrencies, android etc. and helped my team win almost every competition organized by the company.

ORACLE STUDENT CHAMPION
ORACLE ACADEMY / 2017-Present
As an oracle student champion, I engage a community of Oracle/ Java enthusiast and promote oracle products while also teaching the students how to use Java and Oracle database systems.

GITHUB CAMPUS EXPERT
GITHUB / 2017-Present
As a github campus expert, I lead a community of tech enthusiast, teaching them how to take advantage of Version Control Systems (Vcs) like github in building, collaborating, and deploying their apps.

FOUNDER .CEO
NAIRAHOUSES / PORT HARCOURT / 2016-Present
Founding my own Startup, NairaHouses, gave me some real life insight and experience into entrepreneurship, and taught me things that I would not have learnt from any one book.

MARKETER
Goldbox foods / Elelenwo, PH. Rivers State Nigeria. / 2014

VOLUNTEER
The Nigerian Red Cross Society / Nigeria / 2011-2013
As a member of the Nigerian Red Cross Society, PortHarcourt, in addition to administering first aid, I also gained a certificate in Basic first aid, Practical first aid, and a Certificate of Health, Safety and environment (H.S.E) Level 1 and 2.
